LANGUAGE LINKS

Word Origins - A site "devoted to the origins of words and phrases, or as a linguist would put it, to etymology."
Word Count - "An artistic experiment in the way we use language. It presents the 86,800 most frequently used English words, ranked in order of commonality. Each word is scaled to reflect its frequency relative to the words that precede and follow it, giving a visual barometer of relevance. The larger the word, the more we use it. The smaller the word, the more uncommon it is."
Internet Anagram Server - Enter your name, a word or a phrase and this site will create anagrams for you by rearranging the letters into another word or phrase (i.e. "dormitory" can also spell "dirty room") ...
Anagrammy Awards - A monthly competition to judge the "best anagrams on the internet" ...
Idiom Site - Extensive listing of idioms, what they mean, and how they originated.
FUCK! - "A page devoted to our favorite fucking word!"
Morse Code Generator - Type in any word or phrase and see how it would sound as Morse code ...
Word Spy - Interesting and (often) rarely used words in the English language that you should try working into your everyday conversations ...
Word Association - The site displays a word, then you have to type in the first word that pops into your head, then the site throws another word derived from your choice and you're to type in the next word that pops into your head, ad infinitum ...
Double-Tongued Dictionary - "Records undocumented or under-documented words from the fringes of English; it focuses upon slang, jargon, and other niche categories which include new, foreign, hybrid, archaic, obsolete, and rare words."
Quotes DB - "An interactive database of famous quotations ... "
Human Brain Cloud - "A massively multiplayer word association game ... "
TTS Voice - "This engine converts text into lifelike spoken audio in a variety of languages!"
Sex Lexis - Billed as the "Sexicon for Lovers and Others," this site is a dictionary of sexual terms, equivalents of the "F" word, and more!
Bad Translator! - This program translates any text you enter (up to 54 times!) using Google Translate, then displays the final English translation (with hilarious results!) ...
Online Dictionary of Playground Slang - "Dedicated to the preservation of oral ephemera ... Not ordinary everyday English words, but slang, suddenly created, used and discarded words with changing meanings and use."
